HOME OF AVERAGE MAN.

"But America is not simply a land for the man of special talent or of distinguished aptitude. This is the home of the average man, the ordinary man who is doing his best, whatever, by talent or aptitude and in our large industrial occupations where thousands are gathered together in one service, we want a recognition of human brotherhood in providing for the welfare of those who make the wealth of this great country."

"We want workmen to be safeguarded from every injury that can be prevented. We want the health of the workmen looked after; every means provided which conduces to the proper standpoint of living; every means provided for proper recreation; appropriate means for education, for vocational training. In short the workman who is on the job and expects to continue in that job ought to feel that he is doing something worth while for a community that appreciates it and gives him a fair chance to lead a happy and decent life. From Mr. Hughes' speech at Detroit."

DENIES ASSAILING MR. HUGHES

Percy Mackaye, playwright, whose name appeared as one of the signers of the so-called "authors' letter," published in the newspapers last week, knew nothing about the matter until after publication, according to a statement given yesterday at Republican national headquarters. The letter attacked Charles E. Hughes' criticism of President Wilson as "non-constructive" and propounded ten questions for Mr. Hughes to answer. In a letter to Mr. Mackaye Mr. Mackaye said:

"My attention has just been called to an open letter addressed to you, printed in the New York Herald of August 2, signed by a number of professional writers, among whom my name is included. I beg to send you this word, to say that I did not sign the letter and never saw or heard of the letter until it was shown to me to print."

It was stated at Republican headquarters that neither Mr. Hughes nor any of his staff had seen the letter except as it appeared in the newspapers.

AN ACT OF KINDNESS

A Maysville Resident Speaks Publicly for the Benefit of Maysville People.

If you had suffered tortures from kidney trouble, Had experienced with different remedies without relief; If you were finally cured through a friend's suggestion— Wouldn't you be grateful? The following statement has been given under just such circumstances: Mr. Gallenstein has used Doan's Kidney Pills.

He publicly tells of the benefit he has received.

His simple act of kindness to other Maysville sufferers.

No need to experiment with such convincing evidence at hand. Mr. Gallenstein speaks from experience.

You can rely on what he tells you. Henry Gallenstein, blacksmith, Poplar St., Maysville, says: "Doan's Kidney Pills are the best of kidney medicines. I have used different kinds and no other has ever equalled this one. When my kidneys were out of order and I had pain in my back, I used Doan's Kidney Pills. They stopped the pains and strengthened my kidneys. The cure has been permanent."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Gallenstein had. Foster-Milburn Co., Props., Buffalo, N. Y.

GOOD WORK FOR SICK WOMEN

The Woman's Medicine Has Proved Its Worth.

When Lydia E. Pinkham's remedies were first introduced, their curative powers were doubted and had to be proved. But the proof came, and gradually the use of them spread over the whole country. Now that hundreds of thousands of women have experienced the most beneficial effects from the use of these medicines, their value has become generally recognized, and Lydia E. Pinkham's Vegetable Compound is the standard medicine for women.

The following letter is only one of the thousands on file in the Pinkham office, at Lynn, Mass., proving that Lydia E. Pinkham's Vegetable Compound is an article of great merit as shown by the results it produces.

Anamosa, Iowa.—"When I began taking Lydia E. Pinkham's Vegetable Compound I suffered with a displacement, and my system was in a general run-down condition. I would have the headache for a week and my back would ache so bad when I would bend down I could hardly straighten up. My sister was sick in bed for two months and doctored, but did not get any relief. She saw an advertisement of your medicine and tried it and got better. She told me what it had done for her, and when I had taken only two bottles of Lydia E. Pinkham's Vegetable Compound my head began to feel better. I continued its use and now I don't have any of those troubles."—Mrs. L. J. HANNAH, R.F.D. 1, Anamosa, Iowa.
